

On Saturday, July 13, 2019, the 2nd Andrew Range Memorial Golf Tournament will be held at Fox Creek Golf Course in Edwardsville and already the event holds promise to be a bigger success than 2018!!!

ABOUT ANDREW: Andrew graduated from Triad High School and Truman State University and was in his first semester of Law school at Southern Illinois University-Carbondale when he suddenly passed away due to a medical issue on December 8, 2017. Andrew had a special quick wit and carefree presence which endeared him to everyone. Given his positive attitude, work-ethic and courage, the thriving Andrew Range Memorial Fund was established.

In preparation for this year's event, we ask that you **become one of our generous sponsors by donating either a \$200 Hole Sponsorship or donate an item for the silent auction by filling out and returning the attached sheet.**

The 2018 inaugural Andrew Range Memorial Golf Tournament, Dinner and Silent Auction was a sold-out event of over 250 individuals. Due to the generosity of over 90 sponsorships, the tournament helped to raise over \$18,200 for The Andrew Range Foundation. Through the foundation, we have been able to keep Andrew's positive influence alive. Specifically, we have:

- Awarded scholarship to a Triad High School player in May 2018
- Established an Endowment Level Scholarship at Truman State University and awarded the first scholarship January 2019
- Contributed towards Endowment Level Scholarship at SIU-Law with first scholarship to be awarded Spring 2019

For more information, please see <https://www.andrewrangefoundation.com/golf-tournament> or call Dawn Schmidt at 618-795-4502.
